Seers release book on Siddharamaiah

Mysuru, July 23 (RKB&DM)- The Kalamandira on Hunsur Road was jam-packed, both inside and outside, as a huge crowd of supporters of opposition leader and former Chief Minister Siddharamaiah thronged the venue to witness the release of the book 'Siddharamaiah Aadalita: Neeti Nirdhara' (Siddharamaiah's Administration: Policy Decisions) at the programme organised by Bengaluru's Janamana Pratishtana this morning.

Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, Adichunchanagiri Mutt Seer Sri Nirmalanandanatha Swamiji, Mysuru Shakha Mutt Seer Sri Somanatha Swamiji and Mysuru Kaginele Mutt Seer Sri Shivanandapuri Swamji, jointly released the book, while Opposition Leader in the Rajya Sabha and veteran Congress leader Mallikarjun Kharge inaugurated the programme by lighting the lamp.

The book was released ahead of Siddharamaiah's 75th birthday celebrations to be held at Davanagere on Aug. 3.

Former Minister and senior Congress leader Dr. H.C. Mahadevappa, who was the first speaker, said that Siddharamaiah always strived for giving a good administration. Maintaining that the Siddharamaiah administration was very much in accordance with the principles and provisions laid down in the Constitution, he said that Siddu, as he was popularly called, is a friendly person who mingled easily with the common man.

Pointing out that Siddharamaiah used to occasionally burst into anger only for the cause of the common man, the poor, marginalised and oppressed sections of the society, Dr. Mahadevappa said that Siddharamaiah never went out of the way of Constitution during his five-year rule as the CM.

EDITOR'S BOTTOMLINE

When we were taught about Buddhism in school, we were naturally taught about adopting the middle path in everything we thought and did. At that young age, it did not make sense at all. It was the age when learning about religion and religious philosophies was boring to say the least. To understand these philosophies was not to be expected and to adopt them was well nigh impossible. But now at an older and wiser time and age, Buddha's eight fold path really makes sense. According to the Buddha, the root cause of all suffering is desire. Suffering can be eradicated by following the 'middle path' (madhyamaka) which steers clear of the extremes of asceticism and sensual indulgence.

This can be achieved by adopting the eight-fold path that consists of: right view, right aspiration, right speech, right conduct, right livelihood, right effort, right mindfulness and right concentration. The middle path is the core of Buddha's teaching and can be adopted in all walks of life. But what does adopting the middle path mean in actual terms? A lot of experience with life later I realised that adopting the middle path simply means maintaining a balance in life. So I have now realised that the Buddha's middle path could actually be practiced as a way of life and not be confined to the pages of a history textbook. — *Shyamala M. Iyer in Deccan Herald*

These beetles look like living jewels

New York: Chrysina limbata, a species of beetle, native to the tropical rainforests of Central America, is known for its metallic reflective silver colour which makes them look like living pieces of jewellery.

Chrysina limbata is regarded as one of the most beautiful insect species on Earth, and for good reason. These beetles have a reflective silver metallic appearance that is so clear one can actually see their reflection in them. This stunning visual effect "is achieved through thin film interference within layers of chitin. These layers of the chitin coating are chirped (in layers of differing thicknesses), forming a complex multilayer as each layer decreases in depth; as the thickness changes, so too does the optical path-length. Each chirped layer is tuned to a different wavelength of light". The species of silver beetle has long been very popular among collectors, with some paying as much as 500 dollars per pristine specimens.

Man leaves wife after she delivers fifth pair of twins

Kampala: A Ugandan man allegedly packed his bags and left his family after his wife recently gave birth to their fifth pair of twins.

The man couldn't cope with the fact that his wife recently gave birth to their fifth set of twins. The woman never underwent IVF treatment to get pregnant, yet she can't stop having twins. The Ugandan woman recently brought her ninth and tenth children into this world, which reportedly made her husband pack up his things and leave, saying "it wasn't normal" and that he couldn't take care of her and their children anymore.

"I don't regret giving birth to all these children. I know their father doesn't like them, but I can't abandon them. I know God will provide," she said.

Unnecessary formalities at MCC Office

Sir,

Recently I visited MCC Office to get Khata of our house changed into my name following my mother's demise. It was based on a Vibhaga Patra, following a mutual understanding among us siblings. It had been registered at the Sub-Registrar's Office, which means all the survivors were present at the time of registering.

House documents from Day 1 (Allotment, Registration etc.) had been enclosed. The Family Tree (Vamsha Vriksha) issued by the Tahsildar had also been enclosed in which all the family members' details were mentioned. But MCC case worker insisted on a copy of Family Survivors Certificate (FSC) which is to be sought once again from the Tahsildar. This FSC is nothing but a near duplicate of Family Tree. I have to make a few visits again to Tahsildar's Office, pay the stipulated fee and follow it up. Is this exercise necessary? After all, Vibhaga Patra is already registered, which means the bona-fide of survivors in the family has been looked into by the Sub-Registrar. Why this unnecessary insistence of all the records by the MCC then?

ALLERGIES, CAUSES AND TREATMENT
Allergy is a global non-infectious disease. It develops when a person's immune response overreacts to substances called allergens. Around 25% of the Indian population has one or another allergy. Children and Young adults are commonly affected. Allergy can involve Lungs, Skin, Ear, Nose, Throat, Eyes with symptoms like running nose, cough, nasal block, ear block, itching, sore throat, rashes, breathlessness or wheezing. The most common allergies or triggering agents are dust, pollen, food, insect stings and certain medications. Some allergies are seasonal where the symptom can peak in certain seasons of the year, also called as Hay fever. Allergic Rhinitis must not be taken for granted. People suffering from allergies are unaware of available tests & treatments in the management of allergies. A skin test can identify the substance patient is allergic to. Once the causative allergens are found, avoidance is possible, it is the best cause of action. A variety of medications are available to treat different symptoms of Allergic Rhinitis. Immunotherapy /desensitization is recommended for allergies to grass, pollens, house dust mites. Immunotherapy can significantly reduce symptoms and the need for medications.

Mysore Airport to be named after Nalwadi

MP Pratap Simha, Minister Dr. K. Sudhakar hail move to honour Rajarshi for his vision

Mysore Airport at Mandakalli.

Nalwadi Krishnaraja Wadiyar

Bengaluru, July 23 (KMS& BCT)- The State Cabinet has decided to name the Mysore Airport at Mandakalli after the late Maharaja Nalwadi Krishnaraja Wadiyar.

Law and Parliamentary Affairs Minister J.C. Madhuswamy said yesterday that the Government has taken a decision recognising the contributions of Nalwadi to the growth of the Mysuru region. Nalwadi Krishnaraja Wadiyar was the 24th Maharaja of the Kingdom of Mysore, from 1894 until his death in 1940.

The Cabinet also approved the acquisition of 240 acres for upgradation of the Mysore Airport and the land would be handed over to the Airports Authority of India.

During Nalwadi's rule, several irrigation projects, including the Krishnaraja Sagar (KRS), educational institutions and industries were established. Seeing his pro-people administrative reforms and achievements, Mahatma Gandhi called him 'Rajarshi'.

There has been a demand in Mysuru by various groups and associations who had argued that it is apt to name the Mysore Airport after Nalwadi Krishnaraja Wadiyar as the late ruler has contributed immensely to the development of the region.

Welcoming the Cabinet decision, Health Minister Dr. K. Sudhakar wrote on Twitter: "I wholeheartedly welcome the decision of the State Cabinet to approve the naming of Mysore Airport after Rajarshi Nalwadi Krishnaraja Wadiyar. The foresight, efficient administration and social concern of Rajarshi Nalwadi Krishnaraja Wadiyar, the pioneer of Mysore's development, have always inspired us."

Thanking Chief Minister Basavaraj Bommai, Housing Minister V. Somanna and Mysuru District Minister S.T. Somashekar, Mysuru-Kodagu MP Pratap Simha said that the Government has fulfilled the request of the people of Mysuru.

Pratap Simha

It may be mentioned here that the MP had written to the CM on May 27, urging him to name the Mysore Airport after Nalwadi whose reign was known as the 'Golden Age' of Mysore. Simha had said in the letter that Nalwadi had laid the foundation stone in 1940 for the Hindustan Aeronautics Limited in Bengaluru which has now grown into a premier defence and aviation institute.

Under Nalwadi, the Mysore Government was a partner in setting up the venture for building aircraft in India and later, the Government of India too became one of the shareholders. This foresight and vision are rare among rulers, the MP had reasoned.

The achievements of Nalwadi Wadiyar in education, transportation, infrastructure, agriculture, irrigation and industry are manifold and due to this groundwork and foundation laid by Nalwadi, Karnataka emerged as an economic powerhouse, the MP noted.

Dr. Sudhakar

Govt. Hostel workers to stage dharna at Bengaluru on July 29

Mysuru, July 23 (RKB&DM)- Seeking fulfilment of their demands, which chiefly included regularisation of service, the workers and D Group employees serving in Government-run student hostels, will stage a massive demonstration at Freedom Park in Bengaluru on July 29.

Announcing this at a press meet held at Pathrakartara Bhavan here on Wednesday, Hostel Workers Association State President K. Somashekar said that the Social Welfare, Backward Classes Welfare, SC/ST Welfare and Minority Welfare Departments, Universities and other Government Agencies were running student hostels across the State, in which about 35,000 cooks, assistants, D Group employees and watchmen were serving for years without any Governmental benefits.

Pointing out that a majority of the workers were outsourced personnel, Somashekar said that a good number of them were women, who have been deprived of their rightful benefits.

Urging the Government to regularise the service of hostel workers, he also demanded granting of statutory benefits such as PF, ESI, gratuity etc., to them. He also sought payment of Dearness Allowance in keeping with rising prices and inflation.

Alleging that the workers were not being paid wages in time, Somashekar claimed that a good number of workers were not paid wages for about eight months and the Government should take measures for release of their pending wages.

All India Trade Union Congress (AITUC) leaders Chandrashekar Meti, Muddukrishna, Harish, Rajesh and others were present at the press meet.

Former CM B.S. Yediyurappa to retire from electoral politics

Bengaluru, July 23 (KMS&DM)- Signalling his retirement from electoral politics, former Chief Minister and senior BJP leader B.S. Yediyurappa (BSY) on Friday propped up his second son and State BJP Vice-President B.Y. Vijayendra as his successor in Shikaripura Assembly segment of Shivamogga district for next year's Assembly polls. BSY, a four-time Chief Minister, was elected from Shikaripura for eight terms.

"I am not contesting from Shikaripura and Vijayendra will be the BJP candidate there. I appeal the people of Shikaripura taluk to elect him with a big margin," he said while emphasising that there was no question of him retiring from active politics and that he would tour the State to bring the party back to power.

B.S. Yediyurappa

B.Y. Vijayendra

BSY chose the occasion of offering 'Bagina' at Anjanapura Dam, where about four decades ago he had taken active interest in repair works, to make the announcement. Appealing the Shikaripura electorate to support Vijayendra in the same manner in which they rallied around him, he said that even after his retirement, he will be visiting the Constituency.

Maintaining that he had decided against contesting any elections when he resigned as CM a year ago, Yediyurappa said though there was pressure from party workers for fielding Vijayendra from an Assembly segment in Old Mysuru region, he was vacating Shikaripura from where Vijayendra will contest.

With elections to take place in 2023 in the State, it is being watched with curiosity how the Party High Command would treat the announcement of BSY, who is an influential leader of Lingayat community.

Meanwhile, sources said that the BJP leadership refused to read much into his remarks, maintaining that the party was yet to take a decision about candidates for the 2023 Assembly elections and there was enough time to select candidates.

Nalwadi name to Airport: Pramoda Devi hails move

Mysuru, July 23 (RK&BCT)- The State Cabinet's decision to name the Mysore Airport at Mandakalli after the late Maharaja Nalwadi Krishnaraja Wadiyar was welcomed by Member of the erstwhile Mysore royal family Pramoda Devi Wadiyar this morning. Speaking to *Star of Mysore*, she said, "My family is elated and this is a much-awaited and a long-pending proposal."

"I understand that now the Centre has to approve the naming proposal. I wish that things will get a boost with the State deciding on it. It has been a cherished wish of the people of Mysuru and I am glad that it has become a reality now," she added.

Statue Impasse

On her move to write to Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji urging him to reconsider his plans to install the statue of late Suttur Seer Dr. Sri Shivarathri Rajendra Swamiji at the Gun House Circle near the Palace, Pramoda Devi said that she has requested the Seer to consider the public demand for the statue of Srikantadatta Narasimharaja Wadiyar at that Circle.

"The statue of Nalwadi Krishnaraja Wadiyar is at K.R. Circle, Chamaraja Wadiyar's statue is at North Gate of the Palace and Jayachamaraja Wadiyar's statue is at Hardinge Circle. I feel that as all the Circles surrounding the Palace featured the statues of the late Maharajas, the statue of Srikantadatta Narasimharaja Wadiyar at the Gun House Circle would be ideal and proper. Even the people have favoured this," she said.

When asked about the Suttur Mutt's response, Pramoda Devi said, "I have not received any response to date but I hope that the Swamiji will consider this and respond positively."

Seers release book on Siddharamaiah

(Continued from page 1)

Recalling that minutes after becoming the CM in 2013, Siddharamaiah announced 'Anna Bhagya' scheme aimed at providing free rice and other grains to the poor, he said this shows the concerns that the former CM had for the poor.

Highlighting the schemes, plans, programmes, projects and initiatives of the Siddharamaiah Government, he asserted that the former CM took bold decisions that were in favour of the farmers, at a time when the farming community across the country was distraught. He further said that Siddharamaiah never encouraged communalism, casteism or other discriminatory practices.

The book explains how democracy was maintained during Siddharamaiah's tenure as CM, Commitment to the Constitution, on how a strong leadership should be, social justice, the electoral system, what type of people should come to power etc., Dr. Mahadevappa said adding that Siddharamaiah in keeping with democratic traditions, did not make attempts to silence the opposition.

Opposition leader in the Rajya Sabha Mallikarjun Kharge, who began his speech in a lighter vein, said that Siddharamaiah 'Ordered' him to come to the programme, which he has done.

Maintaining that he had not come to the event for making the former CM happy, Kharge said he attended this programme to highlight the contributions and achievements of Siddharamaiah during his tenure as the Chief Minister.

Contending that Anna Bhagya scheme, aimed at feeding crores of poor people, was one of the most crucial decisions taken by the Siddharamaiah Government, he said only those who have real concerns for the poor will announce such programmes. Noting that the former CM had deep concerns for the farming community too, he said that as CM, Siddu sanctioned huge amount of funds for key irrigation projects.

Kharge also took a dig at the current BJP Government, saying that the people will not spare elected representatives who do not work for the welfare and well-being of the common man, when in power.

The 436-page book contains articles on Siddharamaiah's achievements, policy decisions and programmes during his tenure as the CM, by 27 writers from across the State. All the writers of the book were felicitated by the Seers on the occasion.

Former Vice-Chancellor Dr. Sabiha Bhumigowda introduced the book. Former Legislative Council Chairman Dr. B.L. Shankar presided over the event.

The book editors Lakshman Kodase, who is also the President of Janamana Pratishtana and K.T. Chikkanna (Ka.Tha. Chikkanna), Janamana Pratishtana Co-ordinator M. Ramaiah, Secretary Dr. Prajwal G. Raj and a host of writers were present among others.

Earlier, noted danseuse Dr. Kripa Phadke and team presented a 'Raitha Geethe' dance.

Plastic ban: Hoteliers cite lack of alternatives, seek restraint

Decry MCC move to levy fine between Rs. 3,000 - Rs. 10,000 from hotels

Mysuru, July 23 (SBD&BCT)- The Mysuru District Administration, Mysuru City Corporation (MCC) and the Karnataka State Pollution Control Board (KSPCB) have enforced a blanket ban on all kinds of single-use plastic products with effect from July 1.

But in the absence of alternatives, lack of awareness drives and actual information on what types of plastic are banned and the lack of clarity, the ban per se has been criticised, especially by hoteliers who have termed the move to impose hefty fines as autocratic. They have urged the MCC to stop singling out the hotel industry while sparing others and desist from imposing penalties.

In a letter, Mysuru Hotel Owners Association President C. Narayanagowda has decried the move to collect penalties that range from Rs. 3,000 to Rs. 10,000.

"The MCC must launch awareness drives on the ban, give details to the users and suggest alternatives to the plastic. The ban has put businesses into hardship and penalties are being unfairly imposed," he said.

Takeaway sales affected

"Takeaway sales comprise a significant portion of our business, and that is affected due to the ban. We are yet to find a suitable and cost-effective alternative. So we are appealing to the MCC to show some leniency. The ban was being implemented in a hurry, without creating enough alternatives to plastics," he added.

The use of plastics in the packing industry is quite undeniable, more so when it comes to packing food. Since the ban, officials have seized tonnes of banned plastic from markets, hotels, retail shops, malls and roadside shops.

"We are not against the ban but the way it is being enforced by the MCC. Hefty fines are being imposed and there is no clarity on the type of plastic that has been banned and what has been permitted. Also, where are the alternatives?" Narayanagowda asked.

He added that he has received many complaints from hoteliers about the imposition of hefty fines. "This is nothing but high-handedness of the MCC staff. Is the MCC aware of what has been banned and what is allowed? The MCC and the KSPCB must come out with a booklet on dos and don'ts in connection with the ban as being done in Bengaluru to spread awareness among the commercial and business establishments," he said.

"The MCC is unfairly targeting us as hoteliers are easy victims. The civic body is not showing any urgency in raiding manufacturing and distribution units from where single-use plastics originate. There are many such factories on the city outskirts, Narayanagowda pointed out.

Training programme on ban enforcement

Mysuru, July 23 (BCT)- A training programme on the enforcement of plastic ban where banned plastic items were listed was held at the Mysuru City Corporation (MCC) Office yesterday. 19 banned items were listed including plastic sticks, earbuds with plastic sticks, plastic flags, candy sticks, ice-cream sticks, thermocol or polystyrene decoration, balloons with plastic sticks, cutlery items like cups, glasses, cups, forks, spoons, straws, trays, knives and stirrers for tea or coffee.

Karnataka State Plastic Association President Vijaykumar Khadak steered the training programme. He said that the ban is being strictly implemented across the country and the Centre has set up National and State-level Control Rooms and special enforcement teams to check the illegal manufacture, import, stocking, distribution, sale and use of banned single-use plastic items.

The ban also extends to the sale, stocking, distribution and export of such plastic products in all shops and shopping malls. Also, the sale of these products near schools, colleges, educational institutions and hospitals has been prohibited. Even wrapping or packing plastic materials like sweet boxes, invitation cards and cigarette packets and plastic or PVC banners which are less than 100 microns will be banned.

Stringent action will be taken against bulk distributors who continue to indulge in the distribution of single-use plastic. By doing so, we want to ensure that plastic below 50 microns is not available in retail shops. As per the Environment Protection Act 1986, a penalty of up to Rs. 1 lakh and a jail term of up to 5 years can be imposed on violators, he added.

MCC Additional Commissioner Roopa, Food Inspectors of all the 9 Zones of the MCC, KSPCB environment engineers and other staff were present.

Yogathon at Race Course on Aug. 28 to vie for Guinness Record

Register online at *www.yogathon2022.com*

Mysuru, July 23 (BCT)- Following the State Government's decision to organise 'Yogathon' at 31 districts across the State on Aug. 28 as part of the 75th year of Indian Independence (Azadi Ka Amrit Mahotsav) celebrations, creating a Guinness World Record, the Mysuru District Administration is looking forward to gathering more than one lakh people for the Yoga event.

As part of the feat, Assistant Commissioner Kamalabai visited the Mysore Race Course yesterday along with the officers of the Department of Youth Empowerment and Sports (DYES) and AYUSH.

Sports Minister K.C. Narayanagowda said in Bengaluru recently that the programme aims to gather about five lakh yoga enthusiasts from each district and set a Guinness World Record and also Yoga, which has its origin in Karnataka.

Actor and motivational speaker Ramesh Aravind is the ambassador for the Yogathon and the event will be held across the State with a budget of Rs. 5 crore from Corporate Social Responsibility (CSR) funds. The themes of the programme are 'Yoga for Disease-free Life', 'Yoga for Good Health and Life' and 'Yoga for World Record'.

Assistant Commissioner Kamalabai inspecting the Mysore Race Course yesterday along with Dr. Pushpa from AYUSH Department, Mysore Race Club Chairman Y.B. Ganesh and DYES Assistant Director K. Suresh.

Though the State-level programme is aimed at organising five lakh Yoga enthusiasts from each district, the number is unrealistic. But a district like Mysuru can easily gather over one lakh Yoga performers at one place as in the past too, such a feat has been accomplished.

Kamalabai asked the officials to make all arrangements like drinking water and toilets for the Yoga participants. She advised officials to ensure that over one lakh persons will perform yoga together in the event so that it can set a Guinness World Record.

All the participants must enrol online and those interested can register their names by visiting ***www.yogathon2022.com***. A decision on providing T-shirts and mats for the participants — sponsored by companies and private establishments — will be taken in the next meeting, she said.

Committees that were constituted by the Deputy Commissioner (DC) for this year's International Day of Yoga (IDY) on June 21 can be reconstituted and responsibilities can be reassigned, she added.

Students and teachers from the University of Mysore, Department of PU Education, JSS Educational Institutions, students and faculty from Medical and Engineering Colleges of Mysuru, Government and private sector employees, Yoga and Physical Education instructors can register for the event.

Dr. Pushpa from AYUSH Department, Mysore Race Club (MRC) Chairman Y.B. Ganesh, DYES Assistant Director K. Suresh and others were present.

Professional success can be achieved by honesty: Puthige Mutt Swamiji

Shri Sugunendra Theertha Swamiji feted on his 60th birthday

Mysuru, July 23 (MK&DM)- Maintaining that the hand of God drives our life, Shri Puthige Mutt Seer Shri Sugunendra Theertha Swamiji observed that professional success can be achieved only by honesty.

He was speaking at his 60th birthday felicitation programme jointly organised by Sri Krishna Mitra Mandali and Sri Krishna Trust at Krishnadhama in Saraswathipuram here on Thursday.

Stating that life never goes as planned by us, Shri Sugunendra Theertha Swamiji said that we should not get disheartened or distressed if life does not go as anticipated. We should work honestly and only then we can see success and achievements in our life, he noted.

Observing that we analyse our life when we complete 60 years of age, the Seer said that we do not think about that till then. "We should share our life experiences and silver linings with others," he said while reiterating that life does not go according to our plans.

Recalling his own experience, the Seer said he aspired to become an Astrophysicist, but instead he became a Swamiji.

"We should not lose precious time and opportunities by always feeling sad and cursing ourselves. We should lead life as desired by the almighty. The doors to success will automatically open for us if we carry out the task given by the almighty in a sincere manner," he opined.

Koti Gita Lekhana launched

Continuing, Shri Sugunendra Theertha Swamiji said that 'Koti Gita Lekhana,' a one-crore Bhagavad Gita writing campaign has been launched as part of the Chaturtha Paryaya to take place from 2024 to 2026.

Explaining the highlights of the campaign, he said it has been launched with the purpose of bringing peace and harmony in the life of everyone.

Pointing out that most people of the country are leading a stressful and strenuous life, he said that the campaign involves writing of Bhagavad Gita by one crore people in their own language.

Stating that a 200-page notebook will be distributed to all people who wish to write Bhagavad Gita, he said that this will be published during Chaturtha Paryaya. Training in Bhagavad Gita rendition, discourse, Gita Parayana, Gita Yaga and such other events will be held at Udupi's Srikrishna Mutt during the Paryaya, he added.

He further said that those interested in joining 'Koti Gita Lekhana' campaign can call Mob: 8801007700. Registration can also be done online, he said adding that the participants can write Bhagavad Gita in their mother-tongue or the language of their liking.

Vid. B. Gopalacharya, in his address, said that the entire world is looking at India for peace and prosperity. Pointing out that Shri Sugunendra Theertha Swamiji, apart from rendering service to the almighty and the society, has also contributed to the literary world, he said that the Seer has travelled widely across the country and globe for promoting Indian culture and traditions. Through this, the Seer is also serving as a cultural ambassador of our country, he added.

Shri Sugunendra Theertha Swamiji was felicitated on his 60th birthday in the presence of writer Dr. Kabbinale Vasanth Bharadwaj, former MUDA Chairman H.V. Rajeev, In-charge Mayor Sunanda Palanetra, City and District Brahmins Association President D.T. Prakash and others.
